      C            C
I'm a billion ages past you
  C              C
A million years behind you too
  Bb               G
A thousand miles up in the air
  Bb                 G    G  G7
A trillion times I've seen you there

C                    C
Your hair is golden, mine is grey
C                    C
You walk on grass, it turns to hay
Bb                        G
Your blood is blue and your eyes are red
Bb                       G      G        G7
My body strains, but the nerves are dead

{Chorus 1}
         C               Bb
I can't reach you, I've strained my eyes
         C               Bb
I can't reach you, I've split my sides
         C      G    /  Am G /
I can't reach, tryin' to get on you
F C  /  G F     C
See,  feel or hear  from you

| C   | G    | C    | G    |

The distances grow greater now
You drink champagne and past me plough
You fly your plane right over my head
You're so alive and I'm nearly dead

{Chorus 2}
         C               Bb
I can't reach you, with arms outstretched
         C             Bb
I can't reach you, I crane my neck
         C      G    /  Am G /
I can't reach, tryin' to get on you
F C  /  G F  /   C
See,  feel or hear  from you

| C   | G    | C    | G     |

{Bridge}
Am                                G         (C )     (G )
Once I caught a glimpse of your unguarded, untouched heart
    Am                             G         C G
Our fingertips touched and then my mind tore us apart

{Repeat Chorus 2}

 | C     | G    |

|| D  G /|A     || A

{Chorus 3}
         D               C
I can't reach you, with arms outstreched
         D               C
I can't reach you, I crane my neck
         D     A   /  Bm A  /
I can't reach tryin' to get on  you
G D /  A G  D
See,  feel or hear  from you
