

The Witcher 3 - A Tempestade Dos Lobos

Tom: D

m

Dm Gm Bb A

Traça as minhas cicatrizes com teus dedos
 Para entrelaçar os nossos caminhos
 Abra as feridas que nunca fecham
 Até as suas tramas o destinos formar

Dm Bb Dm A

0 sol te afasta dos meus sonhos
 Amargando o meu doce dia
 Me enrolar nos teus cachos negros
 E nadar no lilás desse teu olhar

Dm Gm Bb A

Pegadas de lobos na neve me guiam
 Levando até teu coração imóvel
 Fúria e tristeza cristalizada

Dm Gm Bb Dm

Deixam os teus doces lábios a flamejar

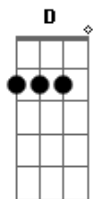

Dm Bb Dm Gm A

0 sol te afasta dos meus sonhos
 Amargando o meu doce dia
 Me enrolar nos teus cachos negros
 E nadar no lilás desse teu olhar
 Não sei se tu es meu destino
 Ou se ao acaso o amor nos uniu
 Quando dei voz ao meu desejo
 Vieste a mim sem assim desejares tu?

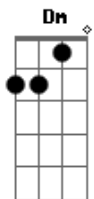

Dm Bb Dm Gm A

0 sol te afasta dos meus sonhos
 Amargando o meu doce dia
 Me enrolar nos teus cachos negros
 E nadar no lilás desse teu olhar
