Tom: Eb

(com acordes na forma de C)

Capostrate na 3ª casa

C I had no cares in the 1990's
 Em Dm I knew of no downfalls
 C The war was breaking out all around me
 Em Dm My concerns were with prank calls

C She kissed me on the cheek
 G She kissed me on the cheek

Em Dm Right in front of the older kids
 C When my self-belief, my self-belief
 Em Dm Wasn't scarred by the modern itch

'Cause now it feels like

C We kissed with one eye on our TV set
 Em Dm And the more I give, the less I get
 C Using fairground rides just to spark her smile
 Em Dm C G This little hit to miss, bring back 1996, bring back 1996
 C G Em Dm So hard to beat those teenage kicks, bring back 1996

(C G Em Dm)

C We were cloning sheep in the 1990's
 Em Dm We were building telescopes
 C

And sugar filled the whole of my body
 Em Dm As I edged it all to grow

C I kissed her on the cheek
 G I kissed her on the cheek
 Em Dm Just to impress the older kids
 C But my self-belief, my self-belief
 Em Dm Wasn't lost in the modern glitch

'Cause now it feels like

C We kissed with one eye on our TV set
 Em Dm And the more I give, the less I get
 C Using fairground rides just to spark her smile
 Em Dm C G This little hit to miss, bring back 1996, bring back 1996

C Stop talking, stop talking
 Em Dm I need a lover, not a friend tonight
 C I'm leaving, I'm leaving
 Em Dm I'm not cut out for the modern life
