

The Wombats - Turn

Tom:

Intro: F C Am G

F C Am
I jump from thought to thought like a flea jumps to a light
You could give an aspirin the headache of its life
Maybe it's the crazy that I miss

Watering plastic plants in the hope that they will grow
Seeing a message flash and then smashing up my phone
Maybe it's the crazy that I miss

It won't get better than this

I like the way you try
To run with the wolf pack when your legs are tired
I like the way you turn me inside and out
I like the way you turn

Dm C F
I like the way your brain works
G C F
I like the way your brain works

F C Am
I want to get college girl drunk tonight
No morning fears
No mountains to climb

They say the best memories are the ones that we forget
Like

C Am
Listening to Drake at your best friends swimming pool
Floating anti-clockwise in a red mushroom
Maybe it's the crazy that I miss

It won't get better than this

F C Am
I like the way your brain works
