

The Wonder Years - Came Out Swinging

tom:
 Db (forma dos acordes no tom de D)
 Afinação: Eb Ab Db Gb Bb Eb

[Primeira Parte]

Moved all my shit into my parent's basement
 And out of our old apartment
 I know things changed but I'm not sure when
 I guess you'd call this regression
 I left a real job and a girlfriend
 I convinced myself that I'm brave enough for all of this
 Well, I spent this whole year in airports
 And the floor feels like home, ohhh
 At least we're never alone
 I lost track of the time zones and I'd call but you know, ohhh

[Pré-Refrão]

I'm running on empty
 The late nights and the long drives start to get to me
 I'm just so tired

[Refrão]

I spent this year as a ghost and I'm not sure what I'm looking for
 I'm a voice on a phone that you rarely answer anymore
 I came in here alone
 Came in here alone
 But that doesn't scare me like it did seven months ago
 I spent this year as a ghost and I'm not sure where home is

anymore

(G D A)

[Segunda Parte]

Been on a steady fast food diet
 Like we're this generation's Morgan Spurlock
 But we don't admit defeat
 My body feels rejected and I can't say that I blame it
 My heart keeps saying stay young
 My lower back seems to disagree
 I unrolled a cheap cotton blanket on an old dirty couch, ohhh
 I felt the year start to wind down
 I can't stand any dead space
 Empty beds bum me out, ohhh

[Refrão]

I spent this year as a ghost and I'm not sure what I'm looking for
 I'm a voice on a phone that you rarely answer anymore
 I came in here alone
 Came in here alone
 But that doesn't scare me like it did seven months ago
 I spent this year as a ghost and I'm not sure where home is anymore
 (G D A)
 I came out swinging from a South Philly basement
 Caked in stale beer and sweat under half-lit fluorescents
 And I spent the winter writing songs about getting better
 And if I'm being honest, I'm getting there

Acordes
