[Primeira Parte]

G C  
I'm a raw nerve in the sunlight  
G C  
After two weeks in the dark  
G C  
If you've gotta tell me you're not using  
G C  
It's probably 'cause you are

[Pré-Refrão]

Em  
I saw you there  
G Am  
Just a block off to see your rowhome  
C Em G  
On an empty street where the others have been torn down  
C  
And you're the last one standing

[Refrão]

Bm C Bm C Bm C Bm Am G  
It must get lonely  
Bm C Bm C Bm C Bm Am G  
It must get lonely

[Segunda Parte]

G C  
When the grace starts to swallow grey  
G  
Where the sky meets the Irish sea  
C  
Like a suit that's been to too many funerals  
G  
And starts fraying at the seams  
C G  
I saw a bag of clementines split right open on an English street  
C  
And the contrast made me feel so goddamn dizzy

[Pré-Refrão]

Em  
I saw you there  
G Am  
Just a block off to see your rowhome  
C Em G  
On an empty street where the others have been torn down

[Ponte]

Am Em C  
It must get obvious enough that I'm not ever gonna change  
Am Em C G  
It must get obvious enough, I'm the one who stays

Bm C Bm C Bm C Bm  
But it must get lonely

[Terceira Parte]

G D Bm C  
I'm a specter in the dim light on the flowers by the grave  
G D C  
In the Montmartre in Paris  
C G  
Where the crows seem to know my name  
D Bm C  
And they left footprints in the snow  
C G  
Along the fence on Palmer Street  
D C  
Cigarette butts on the headstones  
C  
That you left for me
