

The Wonder Years - Madelyn

tom: G

D
Madelyn

A
I share your hate for this world we're in

Bm
But it makes me a better man

G
It's an excuse that you make

D
Madelyn

A
I know you want to let the bottles in

Bm
I know you think that they're all your friends

G
They're lying straight to your face

Em
And I know

A G
About the devil in your bloodstream

Em
And I know

A G
That the ghosts still visit nightly

Em
And I know

A G
It must get lonely by the Chesapeake

(Gbm Em)

D
Madelyn

A
Are you really afraid of death

Bm
Or do you just say it if

G
It's the right thing to say?

D
Madelyn

A
I know you're safe where you lay your head

Bm
But if you wanted to come back

G
I've got a place you could stay

Em
If I'm not

A
Doing right

G
By my family

Em
Then what's

A G
The point of it anyway?

Gbm Em
Of this anyway?

D
I don't think there's a god

A
I don't think that there's someone coming to save us

Bm G
And I don't think that's the worst news of the day

D
I don't think there's a god

A
I don't think that there's someone coming to save me

Bm G
And I don't think that's the worst news of the day

D
Madelyn

A
I know how your cold scars turn purple

Bm
I know how the Irish goodbyes feel

G
I know where you've been

D
And Madelyn

A
You and I got this East Coast blood between us

Bm
It's bitter and vitriolic

G
I know how it ends

Em A G
If I'm not doing right by my family

Em A G
Well, I'm not doing right by family
