tom:
 Dbm
 [Primeira Parte]
 Dbm E
 I saw you hiding in the ivy
 Gbm A
 I know you're too afraid to call
 Dbm E
 They're getting ready for the winter here
 Gbm A
 They've gathered pyramids of salt
 Dbm E
 You saw them having trouble breathing
 Gbm A
 I know you think that it's your fault
 Dbm E
 I saw you hiding in the ivy
 Gbm A
 Keeping quiet through the fall

(Dbm E Gbm A)
 (Dbm E Gbm A)

[Segunda Parte]

Dbm E
 There's a bird inside your rib cage
 Gbm A
 He screams so I never forget
 Dbm E
 I wanna break open your sternum
 Gbm A
 I wanna rip him from his nest
 Dbm E
 And sow you back up like a garden
 Gbm A
 Growing flowers from your chest
 Dbm E
 There's a bird inside your rib cage
 Gbm A Dbm
 I keep trying to forget

[Refrão]

A E Dbm B
 I drew a line in the sand with these worthless fucking hands
 A E Dbm B
 I drew a line in the sand, you washed it away again

[Terceira Parte]

Dbm E
 I saw you hiding in the ivy
 Gbm A
 Watched the night start to decay
 Dbm E

And you wonder in the morning who's gonna drag
 Gbm A
 The sun out of the lake
 Dbm E
 You move gently off the sore spots
 D A
 I can see that you're in pain
 Dbm E
 Everything left in the light here long enough
 Gbm A Dbm
 Is someday gonna fade

[Refrão]

[Ponte]

E
 We're so vacant
 A
 These bodies
 E
 Collapsing
 A
 So gracefully
 E
 And I love you
 A
 And I'm sorry
 E
 And I understand if you blame me
 A
 And I'm helpless
 E
 And you're drowning
 A Dbm B
 And I'm beating at the water here so desperately
 Dbm
 So desperately

[Refrão]

Dbm B A E
 I drew a line in the sand with these worthless fucking hands
