[Primeira Parte]

You've got lunch with your sister tomorrow  
So we can't be up late  
You don't mind if I sleep in  
But then I've gotta pack my things  
So I stacked a Bukowski novel on a Blacklisted LP  
And this time what it looked like was just what it proved to be  
You said you needed a stiff drink  
to take your mind off things  
Hey Jess, I woke up older  
Carrying two years in the bags under my eyes

[Refrão]

Hey Jess, I watched you wake up and get dressed  
You left the room receded like my hairline

[Segunda Parte]

I've been avoiding Rittenhouse like the plague

Because I just can't handle seeing you today  
You made this house into a home  
Now, I'm a stranger on my street  
And as I turned to leave  
I caught myself in the mirror to see  
I aged a year this week  
I left a note up on your bed that said  
Hey, thanks again for everything you did

[Refrão]

Hey Jess, I watched you wake up and get dressed  
You left the room receded like my hairline  
When John introduced Woke Up New in St. Augustine  
I knew I wasn't alone  
When I woke up here without you  
There was nothing to do but pack up and go home
