

# The Wonder Years - You In January

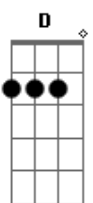

tom:  
 G  
 Goddamn you look holy  
 Gbm G  
 Hit from behind with light  
 D Gbm  
 You're a painting of a saint  
 G  
 And I'm nervous, stumbling over my lines  
 D Gbm G  
 When I tell you I love you  
 When we stare at Catalina  
 D Gbm G  
 The city lost to the sea  
 Em A  
 Carried out by the tides  
 You were the one thing I got right  
 ( D Gbm G D Gbm G )  
 Goddamn you look holy  
 Gbm G  
 Bathed in the January light  
 D Gbm  
 On the floor of our new bedroom  
 G  
 On the carpet with the window open wide  
 D Gbm G  
 When you tell me you love me  
 I can actually see it  
 D Gbm G  
 Your breath frozen in the air  
 Em A  
 Newborn droplets of ice  
 You were the one thing I got right  
 G D  
 I'm measuring heartbeats and miles away  
 Bm  
 You held me together  
 A  
 I used to burst and decay  
 G D  
 We got off the airplane  
 Bm  
 A couple of runaways  
 Em  
 I was hoping you'd stay  
 G  
 Could you stay?  
 D A G  
 You were the obvious one  
 G  
 From a taxi cab in Chelsea  
 Em

Out past Salvation Mountain  
 D A G  
 You were the holiest one  
 G  
 From a walk along the highline  
 Em  
 Out to Wicker Park in August  
 G A  
 You were the obvious one  
 Bm A G  
 From your Upper East Side dorm room  
 Gbm  
 To the South West Marin Headlands  
 Em  
 You smile into the sand  
 A  
 Goddamn I hate leaving  
 ( D )  
 Gbm G  
 Another early flight  
 D Gbm  
 I ran the dishwasher this morning  
 G  
 I wanted there to be clean plates for you tonight  
 D Gbm G  
 I've grown used to your perfume  
 It hangs in the morning light  
 D Gbm G  
 Wake me up before you leave for work  
 Em A  
 Kiss me goodbye  
 You were the one thing I got right  
 G D  
 I'm measuring heartbeats and miles away  
 Bm  
 You held me together  
 A  
 I used to burst and decay  
 G D  
 We got off the airplane  
 Bm  
 A couple of runaways  
 Em  
 I was hoping you'd stay  
 G  
 Could you stay?  
 G D  
 I'm measuring heartbeats and miles away  
 Bm  
 You held me together  
 A  
 I used to burst and decay  
 G D  
 We got off the airplane  
 Bm  
 A couple of runaways  
 G  
 I'm glad that you stayed
