

The XX - Angels

Tom: A
Intro: D Gbm E D
Intro: (x3)

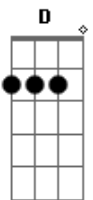

D Gbm
Light reflects from your shadow
E D
It is more than i thought could exist
D Gbm
You move through the room
E
Like breathing was easy
D
If someone believed me
They would be
D E A
As in love with you as i am
They would be
D E A
As in love with you as i am
They would be
D E A
In love, love, love
D Gbm
And everyday
E
I am learning about you
D
The things that no one else sees
D Gbm
And the end comes too soon
E
Like dreaming of angels
E
And leaving without them

E
And leaving without them
Being
D E A
As in love with you as i am
Being
D E A
As in love with you as i am
Being
D E A
As in love, love, love
D Gbm
And with words unspoken
E
A silent devotion
D
I know you know what i mean
D Gbm
And the end is unknown
E
But i think im ready
D
As long as youre with me
Being
D E A
As in love with you as i am
Being
D E A
As in love with you as i am
Being
D E A
As in love, love, love
