Letra
Intro: (Sem vocal)

Baixo :
You've applied the pressure
To have me crystalised

And you've got the faith
That I could bring paradise

I'll forgive and forget
Before I'm paralysed
Do I have to keep up the pace
To keep you satisfied?

Things have gotten closer to the sun
And I've done things in small doses
So don't think that I'm pushing you away
When you're the one that I've kept closest

Refrão Verso
You don't move slow
And taking steps in my direction
The sound resounds, echo
Does it lessen your affection? No

You say I'm foolish
For pushing this aside
But burn down our home
I won't leave alive

Glaciers melt into the sea
I wish the tide would take me over
I've been down on my knees
And you just keep on getting closer

Glaciers melted to the sea (things have gotten closer to the sun)
I wish the tide would take me over (and I've done things in small doses)
I've been down on my knees (so don't think that I'm pushing you away)
And you just keep on getting closer (when you're the one that I've kept closest)

Baixo:
Go slow
Go slow
Go slow
Go slow
Go slow
