

The XX - Replica

Tom: **G**

Riff base que se repete durante toda a música:

Intro: **D C**

Verso 1:

D
Same right, same wrong

Only difference is that I'm the one

D
Second time around

Feels like the song's already been sung

Pré-refrão:

G
Mirroring situations, accurate imitation

C
Do I watch and repeat?

G
And as if I tried to, I turned out just like you

C
Do we watch and repeat?

Refrão:

D **C**
They all say I will become a replica

D **C**
Your mistakes were only chemical

Ponte: **G C**

Verso 2:

Em7
25 and you're just like me

G **C**
Is it in our nature to be stuck on repeat?

Em7
Another encore to an aftershow

G **C**
Do I chase the night or does the night chase me?

Pré-refrão:

G
Mirroring situations, accurate imitation

C
Do I watch and repeat?

G
And as if I tried to, I turned out just like you

C
Do we watch and repeat?

Refrão:

D **C**
They all say I will become a replica

D **C**
Your mistakes were only chemical

Ponte:

G **C**
Do I chase the night or does the night chase me?

G **C**
Do I chase the night or does the night chase me?

Refrão:

D **C**
They all say I will become a replica

D **C**
Your mistakes were only chemical
