

The XX - Replica

Tom: G

Riff base que se repete durante toda a música:

Intro: D C

Verso 1:

D
Same right, same wrong
C
Only difference is that I'm the one
D
Second time around
C
Feels like the song's already been sung

Pré-refrão:

G
Mirroring situations, accurate imitation
C
Do I watch and repeat?
G
And as if I tried to, I turned out just like you
C
Do we watch and repeat?

Refrão:

D C
They all say I will become a replica
D C
Your mistakes were only chemical

Ponte: G C

Verso 2:

Em7
25 and you're just like me
G C
Is it in our nature to be stuck on repeat?
Em7
Another encore to an aftershow
G C
Do I chase the night or does the night chase me?

Pré-refrão:

G
Mirroring situations, accurate imitation
C
Do I watch and repeat?
G
And as if I tried to, I turned out just like you
C
Do we watch and repeat?

Refrão:

D C
They all say I will become a replica
D C
Your mistakes were only chemical

Ponte:

G C
Do I chase the night or does the night chase me?
G C
Do I chase the night or does the night chase me?

Refrão:

D C
They all say I will become a replica
D C
Your mistakes were only chemical
