

# The XX - Shelter

Tom: C  
Intro: Em C (2x)

I find shelter in this way  
Under cover, hide away  
Can you hear when I say  
I have never felt this way

Maybe I had said something that was wrong  
Can I make it better with the lights turned on  
Maybe I had said something that was wrong  
Can I make it better with the lights turned on

(C Am Em G)

Could I be, was I there

It felt so crystal in the air  
I still want to drown whenever you leave  
Please teach me gently how to breathe

And I'll cross oceans like never before  
So you can feel the way I feel it too  
And I'll send images back at you  
So you can see the way I feel it too

Maybe I had said something that was wrong  
Can I make it better with the lights turned on  
Maybe I had said something that was wrong  
Can I make it better with the lights turned on

(C Am Em G) (2x)  
(Em C) (2x)
