

# The Youngbloods - I Shall Be Released

Tom: G

They say everything can be replaced  
Yet every distance is not near  
So I remember every face  
Of every man who put me here

I see my light come shining  
From the west unto the east

Any day now

Any day now

I shall be released

They say every man needs protection  
They every man must fall

Yet I swear I see my reflection

Somewhere so high above the wall

I see my light come shining  
From the west unto the east

Any day now

Any day now

I shall be released

Well under stands a man in this lonely crowd  
A man who swears he not to blame

All day long I hear him cry shouting loud

Calling out that he's been framed

I see my light come shining  
From the west unto the east

Any day now

Any day now

I shall be released
