

The Youngbloods - I Shall Be Released

Tom: G

They say everything can be replaced Bm
 Yet every distance is not near
 So I remember every face
 Of every man who put me here

I see my light come shining
 From the west unto the east
 Any day now
 Any day now
 I shall be released

They say every man needs protection
 They every man must fall
 Yet I swear I see my reflection
 Somewhere so high above the wall

I see my light come shining
 From the west unto the east
 Any day now
 Any day now
 I shall be released

Well onder stands a man in this lonely crowd
 A man who swears he not to blame
 All day long I hear him cry shouting loud
 Calling out that he's been framed

I see my light come shining
 From the west unto the east
 Any day now
 Any day now
 I shall be released
