tom: [Intro] Bb Dm Cm

Bb Dm Cm

She said: Be honest with how you feel

I said: That's easier said than done

I said: Don't worry about the future

She said: That's easier said than done

Well, it is

'Cause true love, it ain't easy, no

(Ah-ah, ah)

She said: Just show me this love is real

I said: That's easier said than done

I said: Just trust the way you feel

She said: That's easier said than done

Well, it is

'Cause true love, it ain't easy, no

True love, true love

It's worth it in the end (ooh)

Yes, it is

True love, true love

It's worth it in the end (ooh)

Yes, it is

True love, true love (I know that)

It's worth it in the end

It's worth it, darling

True love, true love

It's worth it in the end

Ooh-ooh, ooh

It's easier said than done

Ooh-ooh, ooh

It's easier said than done

Well, it is

'Cause true love, it ain't easy, no

No, no

True love, it ain't easy

Ahh

True love, it ain't easy

Ooh, ooh-ooh, ooh

It ain't easy
