

TheFatRat - Fly Away

tom:
 Capostraste na 4ª casa
 Dbm (forma dos acordes no tom de Am)

Come and fly away with me
 Come and fly away with me-e-e-e-e
 Come and fly away with me
 Co-co-come and fly away with me-e-e-e-e-e-e

Don't you be afraid
 Everything will change

You and I
 Jumping off the edge
 They say dreamers never die

So, come and fly

Come and fly
 Come and fly away with me

We're rising, we're falling
 We'll make it through
 We're climbing, we're soaring
 A thousand views

We're rising, we're falling
 We'll make it through
 We're climbing, we're soaring
 A thousand views

(Am D Am C Am)

Somewhere by the emerald sea
 Where the moon and water meet
 Somewhere close to harmony
 When the world is sound asleep

Something's gonna bring a change
 Journeys we are meant to take
 Something at the edge of space
 Calling us to fly away

Something at the edge of space
 Calling us to fly away

Don't you be afraid
 Everything will change

You and I
 Jumping off the edge
 They say dreamers never die

So, come and fly

Come and fly
 Come and fly away with me

We're rising, we're falling
 We'll make it through
 We're climbing, we're soaring
 A thousand views

We're rising, we're falling
 We'll make it through
 We're climbing, we're soaring
 A thousand views

Come and fly away

Come and
 Come and fly away
 Come and fly away with me

Come and fly away

Come and
 Come and fly away
 Come and fly away with me

Something's gonna bring a change
 Journeys we are meant to take
 Something at the edge of space
 Calling us to fly away
