 [Primeira Parte]

**Bbm Ebm Bbm**  
 Love, what did you mean by love?

 Is that the word you meant to whisper  
**Bbm Ab Ebm**  
 With kisses down her neck?  
**Bbm Ab Db**  
 Love, what did you mean by that?  
**Db Ebm**  
 And what did you expect would happen?  
**Bbm Ab Ab Db**  
 She'd pat you on the back, stand up and start slow cla-ppin'?

[Refrão]

**Gb Ab Db F7 Bbm**  
 Love, what did you mean by love?  
**Ebm Ab**  
 You must've meant "like you strongly" (yeah)

 Unless you meant "just your body" just enough to  
**Gb Ab Db F7 Bbm**  
 Stay, but not enough to fall

**Ebm**  
 Instead of givin' up  
**Ab Bbm**  
 What did you mean by love?

( **Bbm Ebm Bbm Ebm** )

 Hope, what did you mean you "hope so"?

 Did you mean you were less than likely  
**Bbm Ab**  
 To head over your heels, because your heart was  
**Ebm Bbm**  
 Just not there?  
**Ab Db**  
 That's what you could've said  
**Db Ebm**  
 No hieroglyphics to decipher

 No beating round the bush, just set the bush on fire but
