

Théo Tavares show - Sailing in Love

Tom: D

Since i kissed your body
 Left your hand and said - good bye
 All the time , i just keep on , thinking of you
 Cause you' ve broken my heart
 Now i'm confused
 I really don't know
 Whether i love , or hate you ?
 Beside my bed your picture is my mega-star
 The number one
 Hearts are the same everywhere
 The stars in the sky
 Now bring me more life
 What do i have to do

If i just have eyes for you ?
 Oh, girl please help me
 Cause i missed you ,if you don't love me
 Come in to my dreams
 And tell my heart to advise me
 What i have to do ? (twice)
 So in case
 I can't have you forever
 I wanna see you
 Just one more time
 Walk by your side
 And holding your hand
 I'll try to show you
 How much i love and need you!
