Em
Wake up to a cloudy day

G
Dark rolls in and it starts to rain

D
Staring out to the cage-like walls

A
Time goes by and the shadows crawl

Em
Crushin' candy crushin' pills

G
Got no job, mom pays my bills

D
Textin' ex's get my fill

A
Sweatin' bullets, Netflix-chills

Em
World's out there singin' the blues

G
Twenty more dead on the evening news

D
Think to myself "really, what's the use?"

A
I'm just like you, I was born to lose

```

Em      G
Why oh why can't you just fix me?
D
When all I want's to feel numb
A
But the medication's all done
Em      G
Why oh why does God hate me?
D
When all I want's to get high
A
And forget this so-called life
  
```

Em
I am so freakin' bored

G
Nothin' to do today

D
I guess I'll sit around and medicate (medicate)

Em
I am so freakin' bored

G
Nothing to do today

D
I guess I'll sit around and medicate (medicate)

Em
Can't wait to feel better than I ever will

G
Attack that shit like a kid on Benadryl

D
Chase it down with a hopeful smile

A
Hate myself, if I can go for miles

Em
They say family's all you need

G
Someone to trust can help you breathe

D

Inhale that drug, but you start to choke

A
You follow the outs of an inside joke

Em G
Why oh why can't you just fix me?

D
When all I want's to feel numb

A
But the medication's all done

Em G
Why oh why does God hate me?

D
'Cause I've seen enough of it, heard enough of it, felt enough of it
Had enough of it!

Em
I am so freakin' bored

G
Nothin' to do today

D
I guess I'll sit around and medicate (medicate)

Em
I am so freakin' bored

G
Nothing to do today

D
I guess I'll sit around and medicate (medicate)

C
Medicate

Em
Superman is a hero

G
But only when his mind is clear though

D
He needs that fix like the rest of us

A
So he's got no fear when he saves that bus

Em
All the stars in the Hollywood Hills

G
Snapchat live while they pop them pills

D
All those flavors of the rainbow

A
Too bad that don't work though

Em
Your friends are high right now

G
Your parents are high right now

D
That hot chick's high right now

A
That cop is high right now

Em

The president's high right now
G Your priest is high right now
D Everyone's high as right now
A And no one's ever coming down
Em I am so freakin' bored

G Nothin' to do today
D I guess I'll sit around and medicate (medicate) A
Em I am so freakin' bored
G Nothing to do today
D I guess I'll sit around and medicate (medicate) A
