

They Might Be Giants - Road Movie To Berlin

Tom: G
Intro:

We're in a ^F road movie to ^A Berlin
Can't drive out the way we drove in
So sneak out this glass of bourbon
and we'll go

We were ^F once so close to ^A Heaven
Peter came out and gave us medals
Declaring us the nicest of the damned

[OPTIONAL Dial-A-Song part]

You said you were the King of Liars

And I ^D believed you and called you ^{Bb} sire
But I ^A realize now that I have been ^{Bb} deceived

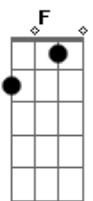

Time won't find the lost
It'll ^D sweep up our skeleton bones
So take the wheel and I will take the pedals

We're in a ^F road movie to ^A Berlin
Can't drive out the way we drove in
So sneak out this glass of bourbon
And we'll go
