

# Thiago Ariel - Nada Além do Amor

tom:

Intro: F Em7 C Dm7

A Lua já sabe por onde andei

Caminhos de paz, eu te encontrei

Essa vibração tem esse poder

Não te ofereço nada, nada, nada além do Amor

O céu, a terra e Deus, E Deus já nos abençoou

Chegada bem vinda ao meu coração

Essa energia traz a ligação

Essa vibração tem esse poder

Não te ofereço nada, nada, nada além do Amor

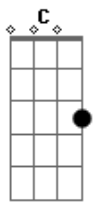

O céu, a terra e Deus, E Deus já nos abençoou

O real não se vê

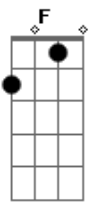

Preenche o seu Ser

Eu me vi em você como se já te conhecesse
