

Thiago Brado - Eu Me Rendo

Tom: A

INTRO: Gbm E D Gbm E D

Estou rendido pelo teu amor

Hoje eu vivo pela fé no senhor

Quando me perco, me encontro em teus braços

Tens a mania de rondar-me com teu laço (2x)

Não posso mais fugir do teu imenso amor

Pois não sou capaz de aguentar

0 teu amor, meu peito abraçou

E o mar da tua glória me lavou

Te deixo, me segues

Te nego, me acolhes

Condeno, não julgas

Perdoas, me amas

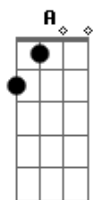

0 teu amor me completa

0 teu amor me dá vida senhor

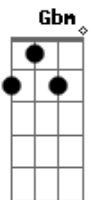

0 teu amor me abraça

0 teu amor me alegra
