

# Thiago Curi - A Tua Vontade

Tom: C  
Intro: C F Dm G7

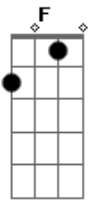

A quanto tempo procurei  
Uma explicação para tudo  
Porque Deus me escolheu  
Se sou tão limitado e fraco  
Meu passado vou deixar para trás  
Vou caminhando de passos largos

Tudo que era ornamento... joguei fora  
Nada vai me prender  
Pude compreender...que era simples ser  
Viver na Tua presença senhor  
Vou honrar teu nome  
Que seja feita A Tua A Vontade
