tom:
 D (forma dos acordes no tom de Eb)
 Afinação: Eb Ab Db Gb Bb Eb

Intro: Eb

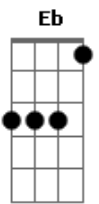

Quando te vi te achei sem sal, sem graça
 Um menina chata, não fui com a sua cara aaa
 Seu mundo tão diferente do meu
 Você na sua e eu tão eu
 A gente era feito óleo e água

Mas sabe assim, sei lá
 Olha as voltas que o mundo dá
 A gente foi se esbarrando, se apaixonando
 Minha boca na sua boca, o meu corpo no seu coladim
 Casou Certin, casou certin
 minha boca na sua boca, o meu corpo no seu coladim
 Casou Certin, casou meu corpo no seu corpo coladim
