

Thiago Pethit - Birdhouse

Tom: C

(intro) Dm (batida de valsa, uma vez o baixo em ré, outra vez baixo em lá)

Dm (uma vez o baixo em lá,
outra vez baixo em mi)

Last night I've ended up with a lasting conclusion

There is no love that is worthwhile
I lost things at yours

That I will take back

After the trips you have gone

After the boys that we might have kissed
Your name ends with L

And I wish you could tell

That my thoughts are all wrong
You live in a birdhouse

And I want you to know

That I can leave (live) by the stairs

That I can go anywhere
But please, just say

I want you to stay

Baby, and I'll prove that you're mine ?

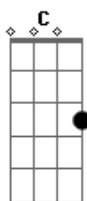

But please just say

I want you to stay

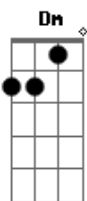

Baby and I'll prove that you're mine ?

Baby you know I am yours (2x)
