(intro) Dm (batida de valsa, uma vez o baixo em ré, outra vez baixo em lá)

Dm (uma vez o baixo em lá,

Last night I've ended up with a lasting conclusion

Dm
There is no love that is worthwhile
I lost things at yours

A
That I will take back

Dm
After the trips you have gone

A
After the boys that we might have kissed
Your name ends with L

A
And I wish you could tell
Dm

That my thoughts are all wrong
You live in a birdhouse

A
And I want you to know

Dm
That I can leave (live) by the stairs

A
That I can go anywhere
But please, just say

A
I want you to stay

Dm
Baby, and I'll prove that you're mine ?

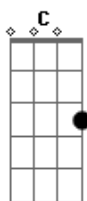

But please just say

A
I want you to stay

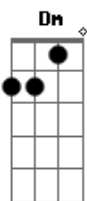

Dm
Baby and I'll prove that you're mine ?

A
Baby you know I am yours (2x)
