Dm (uma vez o baixo em lá, outra vez baixo em mi)
 Last night I've ended up with a lasting conclusion

Dm
 There is no love that is worthwhile
 I lost things at yours

A
 That I will take back

Dm
 After the trips you have gone

A **Dm**
 After the boys that we might have kissed
 Your name ends with L

A
 And I wish you could tell
Dm

That my thoughts are all wrong
 You live in a birdhouse

A
 And I want you to know

Dm
 That I can leave (live) by the stairs

A **Dm**
 That I can go anywhere
 But please, just say

A
 I want you to stay

Dm
 Baby, and I'll prove that you're mine ?

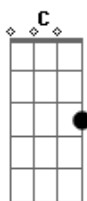

But please just say

A
 I want you to stay

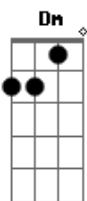

Dm
 Baby and I'll prove that you're mine ?

A **Dm**
 Baby you know I am yours (2x)
