Tom: A

A
Oh I'm so dandy
D A
Nothing in this world can save me
A
Nothing you can say will break my
E
Expertise in life

A
I'm so fancy
D A
Nothing in this world scares me
D A
But every now and then I confess
E
That I'm a lonely man

A D
Oh I feel so bored with sadness
A E
A life of pleasures can't be called an excess
A D E
Put your bullet proof vest on

A D A D
Amigo, escute o que eu digo

E
Só venha comigo
D A
Se quer se perder por aí

I'm no preppie
Everything I wear is dashing
I'm smiling while the world is crashing
A declining star

Ordinary
All your thoughts make me wary
You're nothing to write home about
(Can't you see baby?)
It's a whole new world

Oh I feel so bored when you squeak
Baby have you ever tried a big drink?
Put your bullet proof vest on

Amigo, escute o que eu digo
Só venha comigo
Se quer se perder por aí

Amigo, escute bem o que eu digo
Gaste seu tempo comigo
Tire toda a minha roupa
Borre o batom da minha boca
Venha se perder por aqui
