

# Thiago Pethit - Nightwalker

Tom: D

**Bm**  
My shoes  
**D**  
They took me for a walk  
**Bm**  
I guess  
**D**  
We walked a hundred blocks  
**Em**  
When it was time to go back  
**D**  
We were getting off the tracks  
They said  
**Em**  
'Just one more cigarette?  
**D**  
A drink or two would not be bad  
**Bm**  
My shoes  
**D**  
They took me to a bar  
**Bm**  
Quite soon  
I said  
**D**  
'We're in a trap, we are?  
**Em**  
One shot made me feel brand new  
**Em** **D**

Two and all I thought was you  
**A**  
Dancing, dancing  
**D**  
Dreaming of a neon light  
**A**  
Dancing, just dancing  
**D**  
I've got you deep inside of my mind  
**Bm**  
How sad  
**D**  
Is a dancer on his own?  
**Bm**  
Too bad  
**D**  
The steps they all seem wrong  
**Em** **D**  
One shot just made me feel blue  
**Em** **D**  
Two, I'm getting through with you  
**Bm**  
One day  
**D**  
I hope I might be right  
**Bm**  
One night  
**D**  
Like any other night  
**Em** **D**  
Your shoes will take you for a walk  
**Em** **D**  
And they will lead to my door

## Acordes
