

# Thiago Pethit - Sweet Funny Melody

Tom: G

**Em**  
You said that it's too late  
**C**  
It's not the perfect time  
**Em**  
You told me "You are great  
**C**  
why can't you be just mine?"  
  
Baby  
  
**Em**  
You can break my heart in one or two  
**C**  
or more than a thousand pieces  
**Em**  
You can bring me down  
**C**  
You can take me high and fly and fly  
**Am**  
Oh boy, we still have  
**D**  
One last dance to dance  
**Am**  
Let's take it as a bet  
**D**  
Let's give us one last chance

**Em**  
Cause you and I  
**C**  
We are meant to be  
**Em**  
Whatever the future might  
**C**  
Choose for us to see

Again

**Em**  
You can break my heart in one or two  
**C**  
or in a zillion pieces  
**Em**  
You can bring me down  
**C**  
You can take me high  
**Am**  
Oh boy, we still have  
**D**  
One last dance

**Am**  
Let's take it  
**D**  
Let's give us one last chance

**Em**  
I'm not as nice  
**C**  
As you thought I were  
**Em**  
I'm only fine  
**C**  
I'm only what you heard  
There we go  
  
( **Em C** ) (2x) ( **Am D** ) (2x)

**E**  
Even though  
**C**  
You like me so  
**Em**  
You told me no  
**C**  
just no, no nooo  
Once more  
**Em**  
You can break my heart in one or two  
**C**  
or in a zillion pieces  
**Em**  
You can bring me down  
**C**  
You can take me high  
**Am**  
Oh boy, we still have  
**D**  
One last dance  
**Am**  
Let's take it  
**D**  
Let's give us one last chance

**Em**  
I guess this song  
**C**  
Is sung off-key  
**Em**  
That's how I see  
**C**  
this sweet funny melody  
The end

## Acordes
