

# Thiago Radd - Solidão

Tom: A

m

Então vá, me deixe aqui <sup>A7M</sup> <sup>Am</sup>  
<sup>G7M</sup> <sup>Gm</sup>  
 Chorando, pensando  
<sup>B7</sup> <sup>Bm7</sup>  
 Por que você foi embora

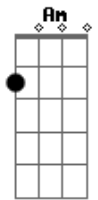

<sup>A7M</sup> <sup>Am</sup>  
 Só assim eu percebi  
<sup>G7M</sup> <sup>Gm</sup> <sup>Gm-</sup>  
 O quanto meu peito é de pedra  
<sup>B7</sup>  
 Caiu, desmoronou  
<sup>Bm7</sup>  
 Acabou comigo  
<sup>A</sup> <sup>Am</sup>

Que perigo -eu nem ligo

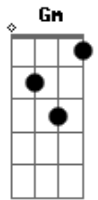

<sup>A7M</sup> <sup>Am</sup>  
 Já cheguei a chorar  
<sup>G7M</sup> <sup>Gm</sup>  
 A pensar que sou louco  
<sup>B7</sup> <sup>Bm7</sup>  
 E tentar me matar  
<sup>A</sup> <sup>Am</sup>  
 Que perigo -eu nem ligo

<sup>A7M</sup> <sup>Am</sup>  
 Talvez a morte  
<sup>G7M</sup> <sup>Gm</sup> <sup>Gm-</sup>  
 Me dê um pouco de sorte  
<sup>B7</sup> <sup>Bm7</sup>  
 E me tire essa  
<sup>Am</sup> <sup>Am</sup>  
 Solidão
