

## Third Day - 40 Days

Tom: C

C  
Here I am at what feels like the end  
And so I come to You, my Lord again  
Am G  
With this burden burried deep within  
F  
This heart that You have made  
C  
In this trial that I'm going through  
I don't question 'cause I know it's true  
Am G  
That the sorrow brings me back to You  
F G F G F  
And You have made me stronger

[CHORUS]

Am  
It's been forty days and forty nights  
G

Down the road of many trials  
Dm F  
And I pray it's only for a season  
Am  
'Cause in the wilderness and in the flood  
G  
You're the one I'm thinking of  
Dm F  
And I know You've brought me for a reason

C  
I have one more thing I've got to say  
Before they try to take my life away

Let it be known that I am not afraid

Let Your will be done, Lord
