

## Third Day - Carry My Cross

Tom: A

### Verse 1

**Gbm** As long as I remember, I've been walking through the wilderness  
**Gbm** Praying to the Father, and waiting for my time  
**Gbm E Bm** I've come here with a mission, and soon I'll give my life for this world

### Verse 2

**Gbm** I'm praying in the garden, and I'm looking for a miracle  
**Gbm** I find the journey hard but, it's the reason I was born  
**Gbm E Bm** Can this cup be passed on, Lord I pray your will be done in this world

### (Chorus)

So I'll carry my cross, and I'll carry the shame  
 To the end of the road, through the struggle and pain

And I'll do it for love, no it won't be in vain  
 Yes I'll carry my cross, and I'll carry the shame

### Verse 3

**Gbm** I feel like I'm alone here, and I'm treated like a criminal  
**Gbm** The time has come for me now, even though I've done no wrong  
**Gbm E Bm** Father please forgive them, for they know not what they've done in this world
