

Third Day - Carry My Cross

Tom: A

Verse 1

As long as I remember, I've been walking through the wilderness
 Praying to the Father, and waiting for my time
 I've come here with a mission, and soon I'll give my life for this world

Verse 2

I'm praying in the garden, and I'm looking for a miracle
 I find the journey hard but, it's the reason I was born
 Can this cup be passed on, Lord I pray your will be done in this world

(Chorus)

So I'll carry my cross, and I'll carry the shame
 To the end of the road, through the struggle and pain

And I'll do it for love, no it won't be in vain
 Yes I'll carry my cross, and I'll carry the shame

Verse 3

I feel like I'm alone here, and I'm treated like a criminal
 The time has come for me now, even though I've done no wrong
 Father please forgive them, for they know not what they've done in this world

Chorus

Bridge

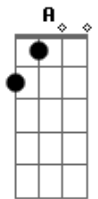

Three more days and I'll be coming back again
 Three more days and I'll be coming back again
