

Third Day - Cry Out To Jesus

```
Intro: C C Am7 G
                                                                For the ones who can't break the addictions and chains
                                                                You try to give up but you come back again
Verse1:
                                                                 Just remember that you're not alone in your shame
                                                                And your suffering
To everyone who's lost someone they love
 Long before it was their time
                                                                Chorus2
 You feel like the days you had were not enough
                                                                There is hope for the helpless
           G
 when you said goodbye
                                                                 Rest for the weary
                                                                  Am
Verse2:
                                                                 Love for the broken heart
And to all of the people with burdens and pains
                                                                 There is grace and forgiveness
                                                                 Mercy and healing
 Keeping you back from your life
 You believe that there's nothing and there is no one
                                                                 He'll meet you wherever you are
        G
 Who can make it right
                                                                Cry out to Jesus,
                                                                Bridge:
There is hope for the helpless
                                                                When you're lonely
 Rest for the weary
                                                                And it feels like the whole world is falling on you
 Love for the broken heart
                                                                You just reach out, you just cry out to Jesus
                                                                Cry to Jesus
 There is grace and forgiveness
                                                                Verse5:
                                                                To the widow who struggles with being alone
 Mercy and healing
                                                                 Wiping the tears from her eyes
        Am
                                                                For the children around the world without a home
 He'll meet you wherever you are
                                                                Say a prayer tonight
                                                   Am G C
 Cry out to Jesus, Cry out to Jesus
                                                               Chorus2 X2
                                                                Outro: C
Verse3:
```

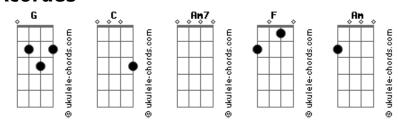

F) X3

Am7 is really a C which is essentially the same as an Am7

(Am G

Acordes

Still it's not enough

For the marriage that's struggling just to hang on

They've done all they can to make it right again

They lost all of their faith in love
