

Third Day - Gone

Tom: C

Please forgive me
 I don't mean to be rude, But I gotta keep moving
 I sure wish I could stay, But I gotta keep doing
 What I've been called to do
 And don't forget me
 Long after I'm gone, And I'm just a memory
 I hope you can recall, What I was saying
 Was nothing but the truth

Refrão:

Well, I'm gone
 It was nice to meet you but I'm gone

I'm sure gonna miss you but I've got to keep moving on
 I can't stay in one place too long
 Say a prayer for me, I'm gone

Thank you so much
 You've been so kind And I can't say enough
 Of all the places I've been This is one
 That I just don't want to leave

Ponte:

Gone like the wind and I'm not sure
 When I'm coming back, will you want more
 God only knows where I am going And just what tomorrow brings
