

Third Day - I Believe

Tom: A

Give me something that I... can believe and then I'll
 Share it with the world for everyone to see
 Take away the darkness,... all the pain and sadness
 I know it's you that put this light inside of me

I believe in a faith that's strong
 I believe in a hope that carries on

I believe in these things and more
 Most of all, most of all
 I believe in love

If I had the strength to move a mountain
 Would you be amazed by all of my abilities
 I guess it would not mean much if I didn't have love
 And this is what I really want you all to see
