

# Third Day - It's a Shame

Tom: E

Solo Intro

**B** **Gb**  
I hate to be, to be the one  
**Dbm**  
Who's given up  
**E**  
And feels that all our hope is gone  
**B** **Gb**  
But what I thought was a miracle  
**Dbm** **E**  
Just turned into the same old

Problem that it was

**E** **E** **E** **E**  
She longs for better days  
**Dbm** **B** **E**  
She's always been afraid

[CHORUS]

**Dbm** **E**  
It's a shame, oh it's a shame  
**B** **Gb**  
That you are throwing your whole life away  
**Dbm** **E**  
It's a shame, oh it's a shame  
**B** **Gb**  
I wonder if you're ever going to change  
**E** **E** **Gb** **E**  
It's a shame

**B** **Gb**  
Ever since I can recall  
**Dbm** **E**  
She has been so afraid  
Of you losing it all

**B**  
What do you want  
**Gb**  
Do you even know  
**Dbm** **E**  
And is it worth the pain  
  
We all have to endure

**E** **E** **E** **E**  
She longs for better days  
**Dbm** **B** **E**  
She's always been afraid

**Dbm** **E**  
It's a shame, oh it's a shame  
**B** **Gb**  
That you are throwing your whole life away  
**Dbm** **E**  
It's a shame, oh it's a shame  
**B** **Gb**  
I wonder if you're ever going to change

**E**  
You left her without leaving  
**B**  
You hit her without swinging  
**Gb** **Dbm**  
You took away without giving a thing  
**E**  
Except for pain and sorrow  
**B**  
I'm praying that tomorrow  
**A** **Gb**  
You will open up your eyes and see

Repeat Chorus

**Dbm** **E** **B** **Gb** **Dbm** **E** **B**  
Solo Intro

## Acordes
