Intro: /Verso:

Sky falls down
It crumbles into the sea
The sun goes out
He's coming back for me
I'll be found at the place
Where the gravity leaves the ground
I won't be comin' down

People talkin' like it's the end of time
I look up to the heavens for a sign
Everybody's lookin' at me
But I won't be deceived or afraid

Verso:

Pré-refrão: **A D E**

I've heard rumors that war's not far away
If they take me I know just what to say
Everybody's up in arms
But I won't be alarmed or afraid

'Cause I know that the sun is on the way
