

## Third Day - Your Love Is Like a River

```
Tom: A
Oh, oh, oh, ooh, oh, ooh, oh,
Your love is like a river flowing from my heart (Repeat)
(verse 1)
When this cruel world tears us apart
Your love is like a river flowing from my heart
When sharpened words have left their scars
Your love is like a river flowing from my heart
And it's overflowing and showing us all
How deep and how wide is your love
It never stops, it rages on
                                                 (Pause)
Your love is like a river flowing from my heart
(verse 2)
When I am tired and so afraid
Your love is like a fire that will light my way
When darkness falls and my vision fades
Your love is like a fire that will light my way
And it's always burning and stirring my soul
To love you and love you much more
It never stops or ever fades
Your love is like a fire that will light my way
