

# Third Eye Blind - Farther

Tom: G ( C )

Person: Matt Veneklas

Tabbed by: Matt Veneklas

/ = slide up.  
h = hammer on.

I've tabbed out the bassline for this song also because parts of it don't have any guitar, just bass, and I play the bass parts on my guitar.

Bassline into:

Bassline 1st verse:

Repeat this 4 times. After playing 2 times the guitar comes in:

( G ) ( B )  
( C )  
( G ) ( G )

Chorus:  
( G ) ( B )  
( C )  
( G ) ( B )  
( C )

The bass is silent for the 1st 3 measures of the second verse.  
Bassline 2nd verse:  
(Talking to myself...)

For the rest of the second verse and the chorus the bassline is the same as the intro bassline (I think). That's all I've got so far.

If this transcription is correct then the lead parts are probably based
