

Third Eye Blind - Farther

Tom: **G** (C)

Person: Matt Veneklas

Tabbed by: Matt Veneklas

/ = slide up.
h = hammer on.

I've tabbed out the bassline for this song also because parts of it don't have any guitar, just bass, and I play the bass parts on my guitar.

Bassline into:

Chorus:
(G) (B)
(C)
(G) (B)
(C)

The bass is silent for the 1st 3 measures of the second verse.
Bassline 2nd verse:
(Talking to myself...)

Bassline 1st verse:

For the rest of the second verse and the chorus the bassline is the same as the intro bassline (I think). That's all I've got so far.

Repeat this 4 times. After playing 2 times the guitar comes in:

(G) (B)
(C)
(G) (G)

If this transcription is correct then the lead parts are probably based
