

Third Eye Blind - How's It Going To Be

```
Intro: F C Bb
Riff 1
(F C Bb)
I'm only pretty sure that I can't take anymore
Before you take a swing I wonder "What are we fighting for?"
When I say out loud, I want to get ou o this
I wonder is there anything I'm gonna miss
How's it going to be?When you don't know me
How's it going to be?When you're sure I'm not there
                                  C Bb
How's it going to be?When there's no one there to talk to
About the thing between you and me, cuz I don't care How's it
going to be
( Intro - Riff 1 )
( F C Bb )
When we used to laugh there's shouting match, Sharp as a
thumbnail scratch
A silence I can't ignore, Like... The hammocks by the door ways
we spent time in
Swing empty don't see lighting like last fall when it was
always about to hit me
```

Want to get my soul back in again
But...The soft dive of oblivion
I want to take it slow off your skin
But.. The soft dive of oblivion
