

Third Eye Blind - Jumper (yes Man)

Tom: G

I wish you would step back from that ledge my friend (You could)

Cut ties with all the lies that you've been living in

And if you do not want to see me again I would understand

I would understand

Hm... ?

The angry boy a bit too insane

Icing over a secret pain, you know you don't belong

Essa parte apenas deixe soar os acordes:

Well everyone I know has got a reason

To say, you can put the past away

I wish you would step back from that ledge my friend (You could)

Cut ties with all the lies that you've been living in

And if you do not want to see me again I would understand

I would understand

I would understand

I would understand

I would understand

I would understand

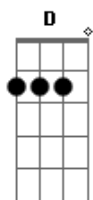

I would understand

I would understand

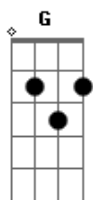

I would understand

Encerra com um G quando ele puxa o homem da janela... dica: na passagem de D para C, faça um D (D, D, C)
