the residue is jealous,
See me on the dark side of your mind,
I want to get my hands on him,

The world could end We wouldn't hear it.
I know just what's on your mind,

It takes a fight to move you,
I know just what's on your mind.

It's been this way a thousand years,
We torture each other.
So why the hell d'you call me here,
When you know,
