

Third - He Is Alive

Tom: G Angels are watching over us With the saints that have gone on before us And they join in a heavenly chorus Am Singing "he is alive, he is alive" He is alive Death is defeated G Sin has retreated From the power of the son And he is alive The enemy is faded The battle still rages But the war has been won The stars in the heavens rejoice

With the sun and the moon And with all of the earth Let all of creation now lift up their voice Singing "he is alive, he is alive"
