C

For the endless summer

Took her out, took in the moonlight  
Got lost in the stars in her eyes  
And I'm blinded by the light

She was this and that and everything in between  
A secret word and I know the meaning  
How could I go for so long without her, yeah

But there's a bleach blonde girl with the records on  
And a smile on her face like she knows what's up  
Whoa  
Well if she don't care, then I don't care

She's a new tattoo  
And I won't forget  
Her sun kissed skin  
Shining on forever  
I don't wanna wait for the endless summer  
I don't wanna wait, no I don't wanna wait (3x)  
For the endless summer

(G D Em C )

It's been a long year  
Been a long night  
Took a shot at love for the first time  
I can't wait any longer, wait any longer

But there's a bleach blonde girl with the records on  
And a smile on her face like she knows what's up  
Whoa  
Well if she don't care, then I don't care

She's a new tattoo  
And I won't forget  
Her sun kissed skin  
Shining on forever  
I don't wanna wait for the endless summer  
I don't wanna wait, no I don't wanna wait (x3)  
For the endless summer

I don't wanna wait, no I don't wanna wait (x3)
